Remington®

AN AMERICAN ICON MOST RELIABLE NAME

THE REMINGTON® MODEL 1911 R1.™

The accuracy and reliability that have made the 1911 an American icon shine brighter than ever. Featuring a crisp trigger and dovetailed front and rear sights, the Model 1911 R1 is the finest blend of exacting craftsmanship and out-of-box performance available today.

It's built with a precision-machined slide and frame to match the most modern specifications available. Every element is produced with ultra-tight tolerances on equipment representing the height of today's technology. The result is a sweet-shooting advancement of a legendary design we're more than proud to put our name on.

The Remington Model 1911 R1 is manufactured with pride and precision, to the exacting standards you've come to expect from Remington. Right here in Ilion, New York.
